12. Describe the different types of therapeutic diets.
13. Describe the diets of clients with special needs.
Guidelines for Success

Assessment Plan
Assessment is an integral part of the educational process at Washburn Tech and accurate feedback is an important tool in continuously improving the institution’s technical programs. Students can expect to participate in assessment activities prior to entry into programs, within specific courses and following program completion for specific fields of study.

Grading and Grading Rationale
Course grade reports will be given to students following each semester. Written examinations and course grades will be assigned according to the following scale:

- A  90 -100%
- B  80 - 89%
- C  70 – 79%
- D  60 - 69%
- F  Below 60%

Students will demonstrate competency in this course by written exams, quizzes, projects, and written work.

Exams  60%
Assignments  30%
Final Exam  10%

A student must have a grade of “C” of better to apply to most medical programs and for the grade to transfer to other colleges.

Attendance
Attendance in this class is required. Roll will be taken daily. Excessive absences will be reported to the Dean of Students and will affect a student’s grade in the following manner - if a student misses 20% of the scheduled class meetings, their final grade will be one grade level below what they achieve in point accumulation.

Disability
The Special Support Services (SSS) Office is responsible for assisting in arranging accommodations and for identifying resources at Washburn Institute of Technology for persons with disabilities. Qualified students with disabilities MUST register and provide documentation with the office to be eligible for services. New requests for accommodations should be submitted two months or more prior to the date services should begin; however, contact the SSS Office as soon as a need may arise. Depending on the accommodation request, four to eight week lead time may be needed for timely and effective provision of services. SSS coordinates and assist in arranging services it deems appropriate of eligible students on a case-by-case basis.

If you are a student with a disability that may substantially limit your ability to participate in this class and believe you will need accommodations, it is your responsibility to contact:
