

Topeka Area Building Association

Scholarship Program

In our mission to support and develop the future of our local construction industry workforce and facilitate charitable activities within our association, the Topeka Area Building Association is pleased to announce the Association's scholarship offerings for 2018. Scholarships totaling \$2500 may be awarded in May of 2018. All recipients of these scholarships are to be a student pursuing a construction trade certification or a degree in a construction related field, or a dependent of a family member that is a member, or is employed by a member, in good standing of the Topeka Area Building Association.

General Scholarship

We may award a \$500.00 or \$1000.00 scholarship to a full time student pursuing a degree or certification in any field of study; that is a dependent of a family member who is an Association Member, or employed by a Member.

Associate Members Scholarship

The Associate Member Council may award two \$500 scholarships to a full time student pursuing a degree or certification in a construction related field of study, or a dependent of a family member that is a member, or is employed by a member, in good standing of the Topeka Area Building Association.

Women's Council Scholarship

The Women's Council may award a \$500 Scholarship to a female full time student pursuing a degree or certification in a construction related field of study, or a dependent of a family member that is a member, or is employed by a member, in good standing of the Topeka Area Building Association.

Applicants need to submit only one application to be considered for any of these awards. Applications must be received by May 4th, 2018.
