

# July

## Get Moving Today!

## ACTIVITY CALENDAR

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>Have fun in the water today – really try to use all of your muscles.</p> 	<p>Run in the pathway of each letter of your name. Make each letter big and then small.</p>	<p>Practice your throwing skills. Step at your target and follow through toward your target.</p>	<p>Get your body wet and then lay down on the driveway. When you get up you will see an impression of your body. Practice jumping over yourself.</p>	<p>Play catch with a water balloon. Make a nice soft home for the balloon with your hands, and “give” with your body as you catch it.</p>	<p>Pretend to swat a fly. Use a foam noodle to run around your yard swatting flies.</p> 	<p>Set up an obstacle course using things to jump over, go around, and even move under. See how fast you can do it.</p>
<p>Do the course you did yesterday but go through it the other direction.</p>	<p>Pretend to go on a trip today – drive your car, fly in an airplane, ride a motorcycle, and paddle a boat. Really use your muscles.</p>	<p>Find a bouncy ball and practice bouncing and catching. Bounce it off the ground or off of the side of a building.</p>	<p>Play throwing golf: Take turns throwing a ball toward a big target. How many throws does it take to get there? Pick a new target.</p>	<p>Draw different shapes with sidewalk chalk and practice moving over, around, and into them.</p>	<p>Plan a family fitness day. Let everyone choose one activity and then do all of them together today.</p>	<p>Throw into a target. Find different sized boxes and practice throwing into each of them. Try it near and far.</p>
<p>Before you go to bed tonight, lie on the floor and as you breathe, try to make every muscle tight and then every muscle relaxed.</p>	<p>Make a musical instrument and have your own parade.</p> 	<p>Find three different things that you can jump over that are each a different height.</p>	<p>Make up a new game today using an empty plastic bottle and a ball.</p>	<p>As soon as you get up today – do 10 jumps, 10 reaches, 10 twists, and 10 crazy moves.</p>	<p>On the 13th you were asked to plan a family fitness day; have you?</p>	<p>Find time to laugh and move with your family. Either go for a walk, swim, or hike.</p>
<p>Find something to climb – make sure you ask your parent/caregiver first.</p>	<p>Dig a hole in the sand. Use your muscles.</p>	<p>Set up a variety of targets – bottles, cans, buckets. Then work on throwing at them from different distances.</p>	<p>Set up those same targets as yesterday, but today work on kicking at them from different distances.</p>	<p>Toss, kick and catch! Have fun with a beach ball.</p>	<p>Blow bubbles and chase them around the yard.</p>	<p>Practice your locomotor movements. Walk, run, gallop, jump, hop, slide, skip and leap. Which one is your favorite?</p>
<p>Turn on some fast, fun music and take turns making up new moves. Your job is to try to keep moving until the song is over.</p>	<p>Play Add On Movement Fun! Do one movement, then your partner repeats it but adds on one more, then you do your first movement, your partners’ and then add on.</p>	<p>Ask someone to take you to a park. Play on every piece of equipment.</p> 	<p>Set up a sprinkler and have fun running through it. Try running around the house after every trip through the sprinkler.</p>	<p>Skip around your home as you sing your favorite song.</p>	<p>Get your feet wet and make tracks on the sidewalk. Try taking big steps and then small steps.</p>	<p>Find your favorite activity from this month and do it again!</p> 

Funding for this project was provided by the Office of Head Start, Administration for Children and Families, U.S. Department of Health and Human Services
